

The Genesis Employee Foundation is a charitable 501(c)(3) organization established to support the employees of Genesis HealthCareSM, and Genesis Managed Employees. Operating independently from Genesis HealthCare Corporation, the Foundation's mission is to support GHC employees affected by severe financial hardship due to unforeseeable circumstances such as natural disasters. Your contribution provides a resource for our friends and co-workers to turn to when they find themselves in need.

Thank you for Giving, Helping and Caring for one another.
